

Electric Standing Desk with ComfortEdge™ 60x30

vari.

INNOVATIVE EDGE

The desk's contoured front ComfortEdge™ slopes softly downward, creating comfortable rest points for forearms, elbows, and wrists.

SWIFT SETUP

With a pre-installed frame and slide-and-lock leg assembly, putting this desk together is easier than connecting to a new Wi-Fi network.

SEAMLESS SIT-TO-STAND

Take your work to new heights — between 25" and 50 ½" — with 3-tier legs, a whisper-quiet motor, and an easy-to-use control panel.

STYLISH AND DURABLE

The concrete laminate finish gives an industrial vibe and a durable, easy-to-clean surface without the concrete dust or heavy lifting to chip away at your patience.
